A photograph of a modern building's entrance. In the foreground, a white rectangular sign with a red vertical bar on the left side features the word "Gensler" in a bold, red, sans-serif font. Below the sign is a set of dark grey stone steps leading up to a glass entrance. The building's facade is dark with large glass panels reflecting the sky and surrounding buildings. A decorative perforated metal screen is visible in the reflection. The scene is brightly lit, suggesting a sunny day.
